The route we recommend you to follow is: Airport, Port Zante, Akrotiri, Tsilivi (Planos), Tragaki (the coastal part of the village) and Kypseli (the coastal part of the village). At Kypseli, on your right hand, you will find 2 gas stations (the only ones in the area and beside each other). Continue straight for another 800 meters and the third street on your right after the gas stations (with sign Gerakari) takes you to our rooms at Gerakari.
