The route we recommend you to follow is: Airport, Port Zante, Akrotiri, Tsilivi (Planos), Tragaki (the coastal part of the village), Kypseli (the coastal part of the village) and Psarou. At Kypseli, on your right hand, you will find 2 gas stations (the only ones in the area and beside each other). Continue straight for another 1500 meters and you will find a sign that leads you to "Paradise" camping site. Head towards the campsite and 50 meters before you reach it there is a road on your left hand. Turn there and you will be directed towards our rooms. "Thalassa Studios Psarou" is on the beach of Psarou (200 meters from the beach of the Ampoula).
